How long have you been a member of Sorrento Baptist Church?

I have attended off and on for about 10 years but became a member about 5 years ago.

Why do you like attending SBC?

I like attending SBC because it is a place you can feel the Lord working. I have found a love for God here.

What is your favorite bible verse?

John 3:16

What is your favorite song?

There are so many I enjoy listening to but two I really like are "Here I am to Worship" by Jeremy Camp and "I can only Imagine" by Mercy Me.

How has this church helped you grow as a Christian?

Well Wednesday night bible study is awesome and has given me a better understanding of the bible.

Share your most treasured church memory.

Well there are many good things that have happened here but my most treasured memory is that it is where my husband and I were married and where we became a family with our kids. Outside my family I would have to say being able to experience seeing the children grow in children's church.

Is there anything else you'd like to add about SBC?

SBC is not just a GREAT place to learn the truth about the bible but it is also where I have met some of my dearest and best friends.
