How long have you been a member of Sorrento Baptist Church?

About five years

Why do you like attending SBC?

Because there is no true hierarchy, the church is treated like a community and the community makes the decisions, also, because the Word is taught before any opinions or interpretations are taught

What is your favorite bible verse?

There are three that I try to live by:

Phil 4:13 – I can do all things through Christ who strengthens me

Romans 12:21 – Do not be overcome by evil, but overcome evil with good

Matthew 6:27 – Whom of you, through worry, can add an hour to your life

What is your favorite song?

How has this church helped you grow as a Christian?

It has presented the bible to me in such a way that makes me want to learn more, it makes me want to do what needs be done so that my relationship with God will grow and I can better my heart
