How long have you been a member of Sorrento Baptist Church?

Most of my life. I attended as a child through my teenage years. I rejoined SBC in 1987 and have been a member ever since.

Why do you like attending SBC?

There's more than one reason: The present pastor does a great job of teaching the bible. When you listen to one of his sermons, you know you've heard the truth (whether you like it or not). There's a lot of love in this church. People care about each other. You can dress up or dress down, you are accepted either way unconditionally.

What is your favorite bible verse?

Matthew 14:1-3 – Let not your heart be troubled, believe in God believe also in Me. In my Father's house are many mansions.....I go to prepare a place for you. And if I go to prepare a place for you I will come again and receive you to me so that where I am you shall be also.

What is your favorite song?

I love all the traditional hymns, but what comes to mind for me is a verse in Amazing Grace, "When we've been there ten thousand years, bright shining as the sun, we've no less days to sing his praise, than when we first begun."

How has this church helped you grow as a Christian?

The excellent bible teaching. Also, the support and fellowship with other members helps to keep me going in the right direction.

Share your most treasured church memory.

I remember attending many social functions here as a teenager. We always had a great time! My daughter played the piano here for a number of years. My family members and myself were baptized here.

Is there anything else you'd like to add about SBC?

I feel very at home here, and can't imagine going anywhere else.
