How long have you been a member of Sorrento Baptist Church?

I have been attending SBC most of my life. I was baptized and became a member in 2004.

Why do you like attending SBC?

Brother Gullett is a good preacher and I am good friends with his wife, Betty and him. There are lots of activities that I enjoy participating in. My kids go to church there. I know everyone there.

What is your favorite bible verse?

Luke 6:37 – Do not judge and you will not be judged. Do not condemn and you will not be condemned. Pardon and you will be pardoned.

What is your favorite song?

I like all the hymns, but one of favorites is, Joy Comes in the Morning.

How has this church helped you grow as a Christian?

Through bible study and Sunday school I've learned about the truth of Jesus.

Share your most treasured church memory.

Brother Gullett and his wife Betty postponed their vacation to stay with me when I had brain surgery ~30 years ago. They were at the hospital and stayed with me until they knew I would be OK.

My grandson, Jason Norton, plays the guitar in the church band. My granddaughter, Sarah Jeansonne Wampler, played the piano for the church for a number of years. These are treasured memories for me.

Is there anything else you'd like to add about SBC?

The people in this church care about each other and help each other. Many meals were brought to my house during the recovery period after my surgery. The church has provided many meals to others as well. You can always count on them to pray for you and with you, and to minister to your needs.
